

Flexible Couplings

Drain Coupling

Flexseal Drain Couplings are used to connect, repair and maintain drainage systems and other small diameter non-pressure pipelines. Available to suit any pipe material up to 275mm outside diameter, Drain Couplings are designed for use in drainage systems where the resistance to earth loads (usually provided by a Standard Coupling) is not required.

Flexseal Drain Couplings comprise a moulded EPDM sleeve which is attached using Grade 1.4301 (304) wormdrive stainless steel clamping bands at either end.

Flexseal can also supply the product with nitrile sleeves for use with effluent which may be contaminated with hydrocarbons. Couplings are also available with Grade 1.4401 (316) stainless steel for improved corrosion protection. Like all unshielded couplings, Flexseal Drain Couplings do not meet with WIS-4-41-01 specifications. For WIS-4-41-01 applications a Flexseal Standard Coupling (SC) should be used.

Applications

- Can be used to connect plain ended pipes
- Repair of existing pipe systems by replacing short sections of pipe
- · Connects short and cut lengths of pipe
- An inexpensive option when a shielded coupling is not required

Benefits

- Low cost solution to damaged drainage systems
- Easy to install
- Efficient, airtight and watertight connection

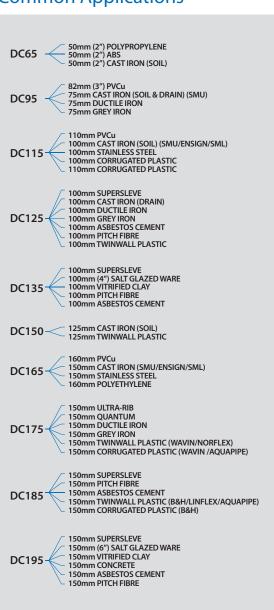

Global leaders in flexible couplings, drainage & plumbing systems

Product specification for DC			
Product Code	DC		
Description	Flexseal Drain Coupling		
Material	EPDM Rubber / Nitrile Rubber		
Steel	1.4301 (304) Stainless Steel or 1.4401 (316) Stainless Steel		
Pressure Rating	0.6bar, 8.70psi / -0.3 Vacuum		
Temperature Range	-50°c to 150°c		
Tightening Torque	6Nm		
Standards	EN295-4, EN681-1, CE		
Jetting Resistance	120 bar		

Common Applications

Product Range

Reference No.	Size (mm)	Width (mm)	Thickness (mm)
DC 50	40 - 50	90	7
DC 65	50 - 65	90	7
DC 75	60 - 75	108	7
DC 95	80 - 95	110	7
DC115	100 - 115	100	7
DC125	110 - 125	120	7
DC135	120 - 135	120	7
DC150	135 - 150	120	7
DC165	150 - 165	120	7
DC175	160 - 175	120	7
DC185	170 - 185	120	7
DC195	180 - 195	120	7
DC215	200 - 215	150	7
DC225	210 - 225	150	7
DC250	235 - 250	150	7
DC275	260 - 275	150	7

Note: Also available in nitrile rubber
