2AMS	Jubilee® Clip 2A Mild Steel 35-50mm	10

Part number: HP100SS.

Range: original Jubilee® clip, assorted packs, dispensers.

Material: 304 stainless steel.

For more corrosive environments this high quality stainless steel provides excellent corrosion resistance, suitable for certain marine applications, and other situations where mild steel is not appropriate.

Dimensions (mm):

270 (H) x 310 (W) x 262 (D)

Total Weight (kg): 2.75
