**SPECS &  
INFORMATION**

- 1 Ear**  
– two ears for higher clamping range
- 2 Smooth inner band**
- 3 Round edges to prevent damages**

## One part clamp for low and medium pressure.

The NORMACLAMP® Earclip double has no screw. The assembly is fast, simple and safe thanks to the pinching of the ears. The clamp compensates for changes in diameter due to thermal expansion.

The two ears enable a better and more constant sealing force. The tightening force is improved.

### Advantages at a glance

- Cost effective, and simple alternative to worm drive hose clips
- Fast and easy to install
- Ideal in narrow spaces
- Suitable for definitive fixation of connecting pipes
- To be assembled with simple ear clip pliers
- Extended clamping range

### Applications

- For hoses that convey compressed air or fluid
- Original equipment manufacturing
- Maintenance repair and overhaul
